As the Governing Body of Amateur Pool, the American Poolplayers Association (APA) is honored to conduct the 24th Annual U.S. Amateur Championship. Since the inauguration of this event in 1994, the level of competition continues to improve year after year. Only a small percentage of the best amateur players choose to play for the glory and love of the game. Those who enter this event will experience the highest level of amateur billiard play. Therefore, the U.S. Amateur Championship is only intended for the finest amateur players. The competition will be relentless, and every match won will be well deserved. If you think you've got what it takes to be the next U.S. Amateur Champion, we encourage you to enter this event and find out!

The Larry Hubbard Trophy

In August 2013, APA co-founder and Hall of Famer Larry Hubbard passed away. Larry truly embodied many of the same qualities the U.S. Amateur Championship stands for. In 2014, the Larry Hubbard Trophy was unveiled. Each year, the U.S. Amateur Championship winner will be presented with this prestigious award. Each winner's name will also be added to the Larry Hubbard Trophy of Champions displayed at the APA National Office.
